

SACA

South Asia Cultural Association

MISSION

Bring awareness of rich cultural traditions that exist in the world, especially the Indian sub-continent through visual arts such as classical concerts and dance ballets to the citizenry of Spokane and vicinity. SACA strives to provide international exposure, especially, to youngsters in the community by bringing cultural programs rich with history and traditions, thus enhancing the quality of life.

BELIEFS

When the citizenry is well educated with cultures around the world, that same citizenry will have respect for traditions of global nature.

Giving prominence to arts and cultures in the community is a very essential part of being a whole human being.

PURPOSE

Provide understanding and appreciation of the East Indian Arts and Cultures by bringing international cultural events rich with traditions.

Make Spokane and the vicinity a better place to live by bringing international cultural programs of global nature that are high in caliber and magnitude.

Educate and enhance the knowledge- make Spokane, "Near Nature, Near Perfect and Near Culture."
